Rep Wolf

MEMORANDUM FOR THE RECORD

SUBJECT: Congressman Wolf on [] Complaints

STAT

1. Charles White, Administrative Assistant to Representative Frank Wolf, called today to report that an aide to Lilla Richards, Drainsville District Supervisor, called Wolf to complain that the Agency had objected to Richards attending a meeting with the Office of Public Affairs (OPA) and two residents of []. The two residents have objected to the Agency decision to install a fence adjacent to their property.

STAT

2. I explained to White that OPA had just talked with Richards and that she had agreed she need not attend the meeting with []. We did intend to reschedule a meeting with the two to listen to their concerns, as previously agreed, but the location of the fence was not negotiable. I also took the opportunity to explain that we intended to proceed with the jogging track now that we had moved its location and had communicated that decision to the [] community.

3. White said he would report to Wolf, but he assured me Wolf would have no problems with the way we were proceeding.
